Generate Cash Codes

Strategy Systems, Inc.
PO Box 2136
Rogers, AR 72757
(479) 271-7400

Import Comdata Cash Codes

Contact your Comdata representative to obtain the cash code file. Once you have the file, go to Administration > Import Cash Codes. Click the Import Cash Code. Choose your file and click Upload File.

Generate Cash Code

Point to any dispatched or brokered load and click Generate Cash Code. You will get a new window to enter the information. Once the info has been entered, click the Generate Cash Code button.
